From our President Jack Harper:

April Meeting
Bring your extra stuff to sell

Fellow Carvers,
March is winding down and here come April, no fooling. A group of us are in the middle of a Mike Ford class carving and painting a Woodcock, at this writing. What an amazing challenge and an appropriate teacher to instruct us. Members of the club in the class are Ed Hak, Ken Hite, Larry Lajewski?, Christy Dehate, Jack Harper as well as two non members. We are having a blast with the stress level amped right up. I bet I slaughtered a number of these names, my apologies.

Ed Hak will have some information to share on a new club activity which we have been invited to. Looking forward to that information, he tells me nothing in secret. Hope to Have an update from Jim Noack as to the status of the bark carving class also.

Phil Westendorph stopped by the carving class and seems to be doing quite well! What an amazing recovery so far. Continue to keep Terry Kennel in your prayers as he is battling so health issues. Missed having him in the carving class. I hope he feels good enough to get out to the class next week to visit us. Hope all went well with Dick Henning during his surgery. Wishing him a speedy recovery.

That's about all I got right now. See you all April 5th.
Jack Harper II
